Re: Lifting liquor license moratorium

Dear Alderman Moreno,

The Wicker Park Bucktown Chamber of Commerce Board of Directors considered the request to lift the liquor license moratorium on Ashland Avenue, from Division to Blackhawk. At this time, the Board voted not to support the lifting of the liquor license moratorium.

We thank you for the opportunity to provide our input, and we thank the applicant for taking the time to present to our organization.

Thank you,

Adam Burck
Executive Director
